

Villa for Sale to Bordighera

359 sq. m. | Rooms: 8

Villa with the prestige of a rare pearl, a dream, a dip in the wonderful and mild Mediterranean Sea, where the sea becomes sky, where the sun is born and gives light until evening in the exclusive city of Bordighera. City of Poets and artists who have always been attracted to it to be enchanted.

Design and rendering followed by a specialized team of talented architects and professionals of the taste of the refined class from years of experience in exclusive projects, the same characteristics also boasted by the company that follows the work. A meeting of perfection of high-level professionals.

The villa will be delivered in 12 months turnkey, splendid, as planned.

The villa will be developed on several levels, with a generous floor area of 360 square meters, the spaces divided into bright and spacious rooms, the swimming pool plunging into the sea. Garden of about 1000 meters surrounding. The area is one of the most exclusive in the city, where the most beautiful and prestigious villas are located.

A villa for a few, for unique people who know how to dare and want only the best.

The Liguria Agency is available for all information and details.

Our company accompanies you step by step in all stages of the sale, also offering tailor-made after-sales services for you.
