Apartement for Sale to Perinaldo

62 sq. m. | Bathrooms: 2 | Rooms: 3

In the heart of Perinaldo's historic center, we offer a characteristic 60 m² home with a balcony, ideal for those who want to experience the authenticity of an ancient Ligurian village or are looking for a vacation rental.
The rooms are welcoming and well-appointed, with a pleasant blend of traditional elements and more contemporary details. The sleeping area features a double bedroom with en-suite bathroom, while the spaces are functionally organized.
Some of the house's details are particularly striking, such as the textured walls, wooden beams, and distinctive internal staircases, which retain the typical charm of homes in historic villages.
The living area offers a comfortable and bright space, with a sofa bed and the possibility of being used as a second bedroom or study. From the kitchen, the balcony offers an additional living space, ideal for a break in the open air.
The location in the historic center of Perinaldo allows you to immerse yourself in the village's tranquil atmosphere, amidst narrow streets, panoramic views, and typical Ligurian architecture.
A perfect solution as a first home, pied-à-terre or investment for tourist rentals.
